CITY OF LANGLEY DETERMINATION OF NONSIGNIFICANCE

Description of proposal:

To amend Chapter 15.24 Flood Hazard Area to comply with Federal Emergency Management Agency's (FEMA) updated Flood Insurance Rate Maps (FIRM), the Flood Insurance Study (FIS) and to comply with the National Marine Fisheries Service (NMFS) Biological Opinion to meet requirements of the Endangered Species Act (ESA) in the Puget Sound and protect listed species and their critical habitat

Proponent: City of Langley

Location of current proposal: N/A

Lead Agency: City of Langley

Description of document: Environmental Checklist per WAC 197-11 State Environmental Policy Act, draft Ordinance.

SEPA Threshold Decision Issued on: January 25, 2017

The lead agency for this proposal has determined that it will not have a probable significant adverse impact on the environment and that an environmental impact statement (EIS) is not therefore required under RCW 43.21C.030(2)(c). The decision to issue a Determination of Nonsignificance (DNS) was made after review of a completed environmental checklist and other information on file with the lead agency. The complete file of the proposal, including the environmental determination, is available for review at Langley City Hall, 112 Second Street, Langley, during normal business hours.

Due to the potential that another agency may assert jurisdiction in this proposed action, the City of Langley, in accordance with WAC 197-11-340(2) will not therefore act upon the proposal for 14 days from February 8, 2017. Comments may be submitted to the above address.
