Comments from James Anderson, 16 August 2010

In preparation for Thursday's joint workshop, please find attached an annotated version of draft Chapter 16G, Division of Land, as transmitted to the City Council on March 11, 2010. The annotation includes comments and questions received from members of the City Council, along with comments supplied by Carol Morris, the land use attorney who works with our AWC Insurance Pool.

Also attached are three documents whose authors have specifically requested that their comments be forwarded to the City Council prior to the workshop. The comments from PAB Chair Jim Sundberg, who will not be able to attend the workshop, were first distributed back in February. The other two documents were submitted by citizens.

The staff looks forward to great workshop!
