By signing below I attest that the above information is accurate.

Signature: R. Bruce Allen Date: 9/12/11

My name is Bruce Allen. I am a resident of Langley, living on first street. My family has had a presence in Langley since the early nineteen hundreds. I have watched Langley change over the years to what it has become today. As a child my family would come up to Langley on vacations and holidays. My greatest desire was to live here permanently. That goal was fulfilled over three years ago when we moved into a home built by my great aunt in 1921. I have become very involved in the community. I am very active in the Langley United Methodist Church, including chairing the Reconciling Committee and serving on the church council and doing many other volunteer activities around church functions. I am Vice-President of the South Whidbey Youth Connection. I volunteer at the Chamber during mystery weekend, Choochokum Arts Festival, and at the Holmes Harbor Rod and Gun Club. I also have volunteered at the Whidbey Island Center for the Arts. I have four years of college and retired from the Army after 30 years as a Command Sergeant Major. I owned my own business for several years. I worked for Safeway for 10 years as a checker and department manager. I am currently working for Maureen Cooke at Mo's Pub and Eatery.

I am very interested in seeing Langley become a more vibrant community with thriving businesses welcoming the many tourists that visit here every year.

In order for that to happen all the city council members must work together collaboratively with common goals and without personal agendas.

I am very interested in trying to help make that happen for this community that I love, which is why I am running for city council position four. Please vote for me.
