

**NOTICE OF SPECIAL MEETING
OF THE CITY COUNCIL
RE: LANGLEY PASSAGE APPLICATION AND APPEALS**

The Langley City Council will hold a special meeting on March 22, 2011, at 3:00 p.m., at Langley City Hall, 112 Second Street, Langley, Washington, to consider matters associated with the Langley Passage preliminary plat application/ related appeals and to take action thereon. The Langley Passage preliminary plat application is a proposal to subdivide 8.52 acres into 20 building lots and three non-buildable tracts, located in an area of Langley that converts automatically to the RS-7200 zoning district with the availability of sewers. The development is proposed to be served by a private street from Sandy Point Road and connected to the public water and sewer. The property subject to the Langley Passage application is located between Edgecliff Drive and Sandy Point, approximately 2,000 feet east of Camano Avenue, in Langley, Washington. Further information about the Langley Passage development proposal may be obtained at the Langley Planning Department, 112 Second Street, Langley, Washington.
