Governor Inslee's Stay At Home Order

Inslee announces “Stay Home, Stay Healthy” order

Governor Jay Inslee

Tonight, Gov. Jay Inslee spoke directly to Washingtonians to announce he will sign a statewide order that requires everyone in the state to stay home. The order will last for two weeks and could be extended.

This **Stay Home, Stay Healthy** order is similar to orders that other governors, in places such as California and New York, issued last week.

This proclamation will:

- Require every Washingtonian to stay home unless they need to pursue an essential activity.

- Ban all gatherings for social, spiritual and recreational purposes.

- Close all businesses except essential businesses.

“The less time we spend in public, the more lives we will save,” Inslee said.

A condensed version of the Governor's list of essential workers will be posted on the City website for the full list go to:
