

Island County Treasurer

Serving the communities of Camano & Whidbey Islands

April 3, 2020

CURRENT YEAR PAYMENT PLAN

Due to requests by taxpayers for payment date extensions and special considerations resulting from the effects of the COVID-19 virus outbreak and current economic conditions, our office is offering a new current year payment plan program to Island County property owners. This is for 2020 taxes only.

It is easy for taxpayers to apply. In order to be considered, the property account must have no delinquent balances for years 2019 and/or prior. You must act before April 30, 2020.

Please visit our website for more details.
