## COVID-19 BENEFITS FOR CONTRACTORS AND SELF-EMPLOYED WORKERS

Hello all,

The COVID-19 pandemic is having an unprecedented impact on our economy. Companies and workers are struggling, including self-employed workers. Whether you call yourself a sole proprietor, owner-operator, independent contractor or gig worker, as a self-employed individual you may be looking for help.

For the first time, new emergency legislation gives independent contractors and other self-employed individuals access to significant benefits programs and financial assistance. We have many contractors and self-employed workers in Island County.

For more information regarding these benefits, please click [here](#) to visit the EDC website.
