## **Implementation of Phase 1 Construction Restart – Proclamation 20-25**

In compliance with the Governor's addendum to Proclamation 20-25, this memorandum serves as the criteria for a limited Phase 1 Construction Restart. Low risk construction activities already under way will be allowed to resume. [Click here](#) for a link to the governor's proclamation.

Island County building inspections will resume Monday, April 27, 2020, with the following requirements in place to ensure the safety of all Island County Building Inspectors:

- Construction Sites must Post a written COVID-19 Exposure, Contamination and Mitigation Plan and have a COVID-19 Supervisor designated.
- Job sites must post a written notice of work to be performed
- PPE is to be worn and social distancing is to be observed.

Permits that are due to expire will be held open until the inspections can be performed safely.

Our priority is to protect the health and safety of our employees and the public.
