Island County COVID-19 Update

Governor Extends "Stay At Home" Order

05.01.20 Update: "Stay Home, Stay Healthy" Extended

Governor Jay Inslee announced today the extension of the "[Stay Home, Stay Healthy](#)" order until May 31st. Reopening will follow a [phased approach](#) for resuming recreational, social and business activities. Every phase will still require social distancing and appropriate health precautions including the use of personal protective equipment in a number of workplaces.

The speed at which we move through these phases will depend on disease activity and measures as presented in the [new COVID-19 risk assessment dashboard](#).

Island County counts are updated daily, Monday through Friday

COVID-19 in Island County	Whidbey	Camano	Total
Positive (confirmed)	139	36	175
Deaths	9	0	9
WA State Positive* (confirmed)			14,327 including 814 deaths

Last Updated: May 01, 2020 at 3:00 pm

Island County counts on this page may differ from WA State Department of Health publicized counts due to direct access to the reporting system at the county level.

* Please Note: WA State Dept of Health updates state numbers at 11:59 pm. Currently, the state system is experiencing delays.

The majority of the confirmed COVID-19 positive cases in Island County have recovered or are recovering at home. A small number have been hospitalized. Of those hospitalized, some have recovered, some are still in the hospital, and a few have resulted in fatalities. Not everyone who is infected with COVID-19 have symptoms or are tested. Most individuals who are infected have few or mild symptoms.

Island County Epidemiological Curve: All COVID19+ Counts and Deaths

Island County COVID-19 Case Count By Location
