Island County COVID-19 Update

9/14/20

COVID-19 Case Counts are updated on Mondays, Wednesdays, and Fridays.

COVID-19 in Island County	Whidbey	Camano	Total
Positive (confirmed)	221	53	277
Deaths	10	1	11
WA State Positive*(confirmed)			78,467 including 1,985 deaths

Last Updated: September 11, 2020 at 2:45pm

**Island County counts on this page may differ from WA State Department of Health (DOH) publicized counts due to direct access to the reporting system at the county level.*

NOTE: Following individual case investigations, case counts may shift due to reassignment to other counties. Island County COVID-19 data includes Navy cases.

The majority of the confirmed COVID-19 positive cases in Island County have recovered or are recovering at home. A small number have been hospitalized. Of those hospitalized, some have recovered, some are still in the hospital, and a few have resulted in fatalities. Not everyone who is infected with COVID-19 have symptoms or are tested. Most individuals who are infected have few or mild symptoms.
