

CITY OF LANGLEY

Building Permit Application Procedures & Requirements

1. Application for building permits may be obtained from the City Hall or the City website.
2. Completed applications, along with two copies of plans, specifications and plot plan shall be submitted to the City.

(NOTE: If all information has not been completed by the applicant, the application shall be returned to the applicant. It is of utmost importance that location address, parcel and key numbers are complete on the application form, review attachment required).

3. At the time of submittal of application, payment of the plan review fees, as determined by City staff, will be due.
 4. City staff will review the submittal for completeness. Incomplete submittals will be returned to the applicant.
 5. Upon acceptance of an application as complete, City staff will review the submittal for compliance to the applicable codes and requirements of the City of Langley.
 6. The Planner will review all permit applications. After review, any comments will be noted on the original application and the application will be forwarded to the Building Inspector. The Planner will make copies of any application deemed necessary to retain in the land use files.
 7. City staff will contact the applicant for appointment within 14 working days from date of official acceptance of the permit. Any plan review comments for correction will be given the applicant for action. The applicant shall respond to all comments in writing and by correction of plans, etc,
 8. City staff will verify on the Building Permit that all appropriate Utility fees have been paid.
 9. The applicant shall obtain and pay for all required public works permits, water and sewer hook ups and inspection fees prior to building permit issuance.
 10. City staff will calculate Building Permit fees and ensure that all procedures have been followed and all fees have been paid prior to permit issuance.
 11. CONSTRUCTION CANNOT BEGIN UNTIL NOTICE AND APPROVAL OF PERMIT IS GIVEN TO THE APPLICANT FROM CITY STAFF.
 12. Inspections must be requested through the Island County Inspection Request line at 360-679-7307, 24 hours in advance of inspection or at least by 3:00 P.M. the day prior to inspection. Be sure to include your name, phone number, site address, inspection type, and date requested in the message.
- All contractors doing work within the City of Langley shall obtain a City of Langley Contractor's License prior to beginning work. The contractor must file an application along with proof of Bond, Insurance and current Contractors License together with payment of the \$55.00 license fee.
