**PROJECT INFORMATION**

Site Contact Name \_\_\_\_\_ Phone \_\_\_\_\_ e-mail \_\_\_\_\_  
 Site Address \_\_\_\_\_  
 Purpose of Water Use:  
 \_\_\_\_\_  
 \_\_\_\_\_  
 Estimated Consumption: \_\_\_\_\_ gallons per week

The above applicant hereby requests the City of Langley to set a hydrant meter and backflow assembly device at a location determined by the City of Langley for temporary water service pursuant to the following conditions.

**Fees:** Payment of a \$500 reimbursable hydrant meter permit deposit is due at the time of application. This fee will be reimbursed within 30 days after the return of the hydrant meter and backflow assembly to the city, and after verification of payment for the water usage registered on the hydrant meter at the charges set by city council resolution. Current rate is \$1.80 per 100 gallons.

\_\_\_\_ Please check this box if you would like the total ending balance due to be reduced from the deposit refund. If the charges exceed the \$500 deposit fee, the applicant acknowledges responsibility for the remaining amount due.

**Liabilities:** The applicant assumes full responsibility for any and all damage to the hydrant meter, hydrant, and/or the City of Langley's water distribution system causes by the abuse, vandalism, neglect, or misuse of the hydrant meter. Costs associated with damage will be billed to the applicant by the city and could result in the denial of future use of a hydrant meter. DO NOT use the hydrant valve as your flow control valve. Turn the hydrant valve ON completely and use the gate valve on the hydrant meter to control your water flow.
