

**Arts Commission
Agenda
Thursday November 3 - 9:15-1030
Special Meeting
Location – City Hall 2nd floor**

Call to Order

Introduction of Guests

Approval of minutes of October 13th, 2016 meeting

1. Discussion:

1. Establish a plan of action to install three works of art on Second Street in December, 2016. One piece to be located in front of the Langley Post Office and two to be located on the existing Second Street Plaza pedestals.

Background: The work of art selected for the Post Office site, because of its height and weight, requires a pedestal similar to the pedestals installed on the Second Street Plaza. (Attachment, Plaza pedestal construction plans.)

The cost of construction for a pedestal with the same specification as the Plaza pedestals is between \$4,000 - \$5000. To construct the pedestal the City would have to solicit contractor bids.

Proposed Action: based on the plan of action, prepare a statement for the 6 artists competing for the two pedestals on the Second Street Plaza and a statement to the community that explains the rationale for the change in plans for positioning the three works of selected art.

2. New Business

3. Good of the Order

Next regular meeting November 17, 2016
