

City of Langley

Cemetery Board Agenda

January 29, 2013, 4:30 pm

Langley City Hall 112 2<sup>nd</sup> Street, Langley WA 98260

Attending: Marilyn Helsel, Cary Peterson, Debbie Mahler, Rene Neff

1. Call to order: 4:45
2. Reviewed and approved the minutes.
3. Compost Bin: R. James and Debbie ordered them and R. James placed them in the cemetery!
4. Road Maintenance: Road is completed we think
5. Report from Debbie re: Follow-up to Request from Jeanie Roberts that we repurchase plots B16-5-3. Debbie went up and looked at the graves and she repurchased the back.
6. Ash Garden Concern: Marilyn or Cary                                      A Japanese woman buried her mother's ashes near the Granite rock and her brother came from Japan and was very upset that the area her ashes are in are not very well maintained. Cary thinks we need to hire someone to keep the area up better on a regular basis. We are not sure how much is in the budget. Cary will email the Friends about spiffing up the Ash Garden and see if they can help with that. Cary will be calling the friends a work party to do the spring maintenance.
7. Making our own bio-mulch for Green Burials: Cary will talk to Marilyn to figure this out.
8. Any new business? Marilyn H. is gathering photos to make into cards. She thinks 3"X5" is a good size. Print them on already prepared cards with envelopes. Becky Duthie will go up and take some photos of the old part of the cemetery.
9. Agenda items for next meeting? Cemetery Tour We would like to invite Bob Waterman to give a Memorial Day tour of the cemetery. Main Street, Historical Society and City of Langley to see the cast of characters from the Centennial. The Cemetery was turned over to the City 100 years ago so we are celebrating a centennial too. Cary and I will talk to Janet from Main Street and Bob W. about trying to get this tour to happen.
10. Adjourned at: 5:10
