2014 Work Plan

Jeff Arango proposed the board focus on a work plan for 2014 and to consider how the board can be effective at making progress on park and open space issues in Langley. The board was originally charged with updating the parks and open space element in the comprehensive plan, but that work has been completed. The board suggested reviewing the 2013 work plan as a starting point. Staff will provide the 2013 work plan for the next meeting.

Jeff introduced Stan Berryman the new public work director and stated that Stan will be the primary staff contact for the board in the future. Jeff will be available to assist as needed.
